

Ceiling and wall fixings

fastener type H without vibrating element

description	part-no.	PU	H	for stud	material
H 25	H13287	500	25	M8/8mm	StZn
H 40	H10507	500	40		
H 100	H10508	250	100		

Advantages:

- quick mounting
- high distance balance
- installable in all positions
- fire resistant
- maximum permissible load = 250N/fastener
